) ~~[PROPOSED]~~ ORDER
)
Complaint Filed: October 2, 2017

18 This Stipulation to continue the trial and pretrial conference dates, and to amend the
19 pretrial schedule in accordance with the new trial date, is submitted by all parties in this action,
20 through their respective counsel, including: Plaintiff Authentic Alaska, LLC (“Plaintiff”);
21 Defendants Assemblers, Inc. and Assemblers Food Packaging LLC (“Defendants”), and Third-
22 Party Defendant, Jensen’s Old Fashioned Smokehouse, Inc. (“Third-Party Defendant”). Pursuant
23 to this Stipulation, and for good cause shown, the parties jointly request the Court to continue the
24 trial and pretrial conference dates and pretrial deadlines.

25 I. RECITALS

26 On August 24, 2018, the parties engaged in mediation in an effort to attempt to resolve
27 this matter to avoid the expense of additional discovery after an initial exchange of documents.

1 The mediation took place approximately six weeks after Third-Party Defendant answered
2 Defendant's Third-Party Complaint. The mediation was unsuccessful, and the parties are
3 engaged in the next wave of discovery including depositions.

4 The current trial date is March 25, 2019, with a discovery cut-off date of December 1,
5 2018, for non-expert discovery, and disclosure of experts due on November 4, 2018, and
6 discovery cut-off for completion of expert discovery on December 16, 2018. Non-expert and
7 expert discovery likely will take place in multiple states (California, Illinois, Washington and
8 Alaska). The parties and counsel will be unable to complete discovery within the above
9 deadlines given Third-Party Defendant's recent entry into this matter, the mediation, and various
10 scheduling conflicts.

11 This is the parties' first request for a trial continuance. The parties consulted with the
12 court clerk who advised that July 8, 2019, was the Court's first date for the continued trial date
13 available after the original trial date.

14 II. AGREEMENT

15 Therefore, in order to allow the parties to complete discovery and properly prepare for
16 trial, the parties stipulate and agree to vacate the current trial and pretrial conference dates, and
17 propose a new **trial date of July 8, 2019**, and a new **pretrial conference date of June 19, 2019**,
18 with pretrial deadlines to be adjusted in accordance with the new trial date. The following table
19 shows the existing dates and deadlines and the new proposed dates and deadlines.
